

Coffman Capital Inc.

***Congratulations on
Completing Another Tax
Season!***

Accounting Practice Loans from Coffman Capital

Coffman Capital has provided financing for **Accounting Practices** throughout the U.S. since 2000!

We can help in the following critical areas:

1. Growth Via Acquisition – *Practice Acquisition Loans*

- Lowest Down Payments
- Working Capital Included
- Competitive Terms
- Practice to Acquire ***Analyzed Before You Apply***
- Expert Transaction Management by Coffman Capital

2. Balance Sheet Restructuring

- Consolidate Business Debt ***including*** Seller Notes from prior acquisitions
- Combine old Seller Notes with New Acquisition Financing
- Pay off Asset-Based lines and other high-cost debt with a term loan

3. Building Financing

- Buying or Building a New Office with or without an acquisition
- Renovate existing office when you refinance current building debt
- Combine the above with Balance Sheet Restructuring

We help ***CPA's, EA's, Professional Tax Preparers*** and ***Bookkeepers.***

Plus: ***Financial Planning Firms*** and ***Books of Business*** are

definitely included in our repertoire!

We will evaluate the practice you buy for debt support *before you commit*, and help you with every step of the transaction from beginning to end.
